

Orbost & District Historical Society Inc.

PO Box 284, Orbost 3888

Founded in 1967, the Society maintains the **Orbost Museum** in Ruskin Street where the majority of the collection is stored and displayed. We also have a collection of digitised documents and photos.

We maintain an active interest in the **Slab Hut**. Behind the Slab Hut is **The Shed** (with an open grille front) where farm and 'shed' type items can be viewed. These items are also part of our collection.

Meetings are held once a month (except December and January) in the Library Meeting Room. All members receive a **Newsletter** mailed four times a year and many members contribute their research to these newsletters.

The Society produces a number of **publications**. These are available through the Slab Hut (Orbost Visitor Information Centre).

Yearly membership is \$20 for an individual, or \$20 for a family. Membership begins at the end of August but **NEW MEMBERSHIPS** paid from January to end July continue to the next year.
